AP STUDIO ART SUMMER ASSIGNMENT
You will complete 3 projects and 3 sketchbook assignments as your AP Studio class preparation. These assignments will be due the first day of class. These assignments will account for 10% of your first marking period grade.

AP Studio Art requires a significant amount of time outside of class to meet the requirements of the portfolio, which means that it will also require a significant amount of time outside the school day. Be sure to review the AP Scoring Guidelines on the College Board Web Site.

Assignment Options: Pick three

- Draw an object submerged in water. You can submerge it in a clear container and view from the side, view it from above, or have the object half in and half out of the water to observe the distortion.
- A Still Life that contains at least 3 shiny objects. Make sure you consider the light reflection and images seen in the shiny objects.
- A piece that depicts an emotion. Try to have the colors or marks/brush strokes convey the emotion that you chose.
- A Self Portrait (drawn from real life in a mirror - not from a photograph) that is drawn from an interesting angle.
- Sit right outside your front door and draw what you see.
- Draw something on anything but paper.
- A figure drawing of a person that is moving (running, walking, dancing, etc...)
- A landscape that includes a building or a group of buildings.
- A memory from your childhood.
- Illustrate a song of your choice. Do not include any lyrics or words in the piece.
- Draw the inside of something: a drawer, your car, refrigerator, etc...
